Puffe of the month!

Blue Puffle

Much penguin love to all the blue puffle owners out there! Blue puffles are loyal and friendly, which makes them one of the easiest puffles to take care of. We reckon that's why more penguins own blue puffles than any other colour!

Furry Facts!

They were first discovered at the Ice Rink

Blue puffles love pizza (especially candy ones)

They can blow the biggest bubble gum bubbles of all

INVITATION!

You and your puffles are invited to the Puffle Party on Club Penguin. With ice-cream, new games and all-new puffle backgrounds, it'll be an avalanche of furry fun!

What's your Puffle Match?

It's true what they say - puffles are a penguin's best friend! In fact, some penguins keep up to 20 puffles as pets. That might sound like a lot of fluffy fun, but they need heaps of attention! So take this quiz to find a puffle that's right for you.

Instructions: Give truthful answers to the questions, then add up the number of symbols!

Your friend is having a party at his iggy. What outfit will you wear?

Something cool and comfy, so I can dance all night.

My ninja suit, so I can disappear if it gets boring!

I don't care, as long I've got my sunglasses and skateboard.

A pirate hat, like my hero Captain Rockhopper!

Have you heard the news? The Migrator has been spotted approaching Club Penguin!

Hooray! I can't wait to hear about his latest adventures!

Yay! Let's write a song to welcome back Captain Rockhopper.

That's cool, I guess.

Hang on, is this a practical joke?

It's dinner time! What's on the menu?

I've created a jumbo-sized pizza recipe for all my friends.

Popcorn! It's healthy and nutritious!

I haven't got time to eat, there are missions to solve!

Something hot and spicy. With extra spice.

It's another sunny day on Club Penguin. What's the plan?

Hang-out in the coffee shop with my best friends.

Go shopping for some cool furniture for my igloo!

Explore parts of the island that I haven't been to in a while.

Head to the Stage and direct my very own show!

Are there any parts of Club Penguin you haven't explored?

With the Jet Pack, I can see everything!

A few, I'm pretty busy you know!

Are you kidding? I've waddled everywhere!

Well, I heard about this Dojo place...

The EPF says Herbert has been spotted in the Forest! What should we do?

Warn other penguins to keep away from the area.

Deliver lots of smelly fish to keep him away!

Maybe Gary can invent a giant bear catcher to trap him?

Let's send a spy to find out what he is up to.

Mostly

**Red
Alert!**

Red puffles make great companions for adventure-loving penguins. The most famous of all is Yarr, belonging to Captain Rockhopper! If surfing is your thing, the red puffle can pull some mean tricks in a game of Catchin' Waves. And what other pet shoots itself out of a cannon for fun?

adventure

Mostly

**Go
Yellow!**

A yellow puffle will bring out the artist in you! These furry friends even make masterpieces out of their food – just see what happens when they eat Puffle-O's! Music, painting, acting – however your talent shines, the yellow puffle will be your perfect partner.

artistic

Mostly

**Black
Shadow!**

So you're the strong, silent type? Get yourself a black puffle. Not much is known about these mysterious, moody pets, but they have some powers that no other puffles share – if you want proof, just feed them an O-Berry, and stand back!

mysterious

Mostly

**Green
Machine!**

If you're a penguin with a sense of humour, the green puffle will make you laugh your flippers off. When they're not clowning around riding unicycles, these groovy green pets are flying around Club Penguin, getting into mischief. In fact, they're the fastest puffles of all, which is why they love Jet Pack Adventure!

fun-loving

Flaming flippers!

There are loads more puffles to choose from...

Blue

The blue puffle is friendly and loyal, and loves munching pizza and playing beachball!

Purple

Purple puffles love dancing almost as much as Cadence!

Pink

Pink puffles are sports-mad, and are happiest when they are bouncing on a trampoline or skipping rope!

White

The white puffle is the smallest of all, and it has the amazing ability to breathe ice!

Orange

The zany, crazy orange puffle was one of the most recent puffles to be discovered.

BROWN

The brown puffle is super smart and loves to invent gadgets ... but they don't always work!

Make sure your puffles are healthy and happy, otherwise they might run away! Keep their stats up by giving them a bath and feeding them.

Aunt Arctic

If you're a penguin with a problem, there's someone you can always turn to... Aunt Arctic

Ask away!

Even if your question is 'why is your hat pink?' - she will still try to help you. Which just goes to show there really is no such thing as a silly question!

As the chief editor and advice columnist of the Club Penguin Times, Aunt Arctic has lots of important jobs, like judging igloo contests, interviewing penguins or helping the EPF by posting important messages in the newspaper.

When she's not working, Aunt Arctic loves caring for her puffles, and having a nice cup of tea and a scone at the coffee shop!

STAR LETTER

Ask Aunt Arctic

Dear oh dear, so many letters, so little time!

Dear Aunt Arctic,
Who has the most coins on Club Penguin?

From Stevens33

PS. It's not me.

Dear Stevens33,
Coins aren't so important, you know! A rich penguin is one who has lots of friends. And, maybe a few puffles, too. I suppose you'll need food for the puffles. Hmm. Well, play more games and you'll be rich in no time!

I do like the Holiday Party
